

Cast Iron Surface Plate

We are a Dealer, exporter and Supplier of Cast Iron Surface plates based in Sonipat, Haryana. We are Dealers, exporters & suppliers of high-quality Cast Iron Surface plate and offer a vast range of superior quality Cast Iron Surface plate & bench centres, which are extensively used for general inspection work in metrology laboratories and other industries. Our range includes cast iron bench centre, Cast Iron Surface plate with bench center, mini bench centre, vertical bench centre, universal bench centre and many other. These bench centres are known for delivering better durability, reliability and performance in the defined operations.

We are exporting Cast Iron Surface plate to various countries like Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, the United Arab Emirates, Srilanka, Bangladesh, Russia, Australia, America, Germany, Romania & other African countries.

- Our Cast iron surface plates are made of good quality close grain cast iron as per IS-210:1993 conforming to grade FG-220 and matching industry standards.
- The meticulous Dealer processes that are carried out at our premises make these cast iron surface plates perfect for machine shops, quality control, and standard rooms.
- Our precision cast iron surface plates are used in the application where strict accuracy is required hence, these cast iron surface plates are appropriate for high precision work and are ideal for blue matching.
- Our Cast Iron surface plates are amply ribbed to ensure minimum deflection under load.
- Our team of qualified engineers carries out rigorous quality control inspection to test these surface plates as per IS-2285:2003 for flatness, repeatability, durability etc. The final inspection of surface plate is undertaken by a high precision computerized electronic level, WYLER SWISS make.

Product Details:

Maximum deviation from flatness over the entire area expressed in Microns as per IS 2285 2003

SIZE (in mm)	GR 1
250 x 250	7
300 x 300	7
400 x 400	9
630x 400	10
630 x 630	10
1000 x 630	12
1000 x 1000	14
1200 x 900	14
1600 x 1000	16
2000 x 1000	19
