

Features

Manufacturing against Order only.

Below is the list of carbide tipped dead centers that could be made to order.

Since these are made against order the delivery could take about 10-12 weeks of time minimum normally.

Note that special sized carbide tips have to be made in a minimum quantity of 4-6 pieces.

The below listed sizes of carbide tips have been standardized by us and hence can be ordered by you for even 1 piece. Any other special size ordered outside the below list of sizes has to be ordered for a minimum quantity of 4-5 nos.
